DON JHON MAGARRO

BS Computer Science

About Me

To obtain an entry-level position in this company where I can use my skills and abilities as BS Computer Science student with hands-on experience in web development. Aiming to secure an IT Technical Related position to utilize my technical skills, analytical mindset, and dedication to enhancing system performance and security within a forward-thinking organization begin my career in this sector and learn from seasoned professionals. I am a fast learner, a team player, and dedicated to providing high-quality work while meeting tight deadlines. I am grateful to bring my abilities and enthusiasm for interpersonal relations to my colleagues and, importantly, to the growing firm.
